

Sunny Hills' PTA Supports the Levy!

Vote YES
for Issaquah Schools
Renewal Levy!

*Maintains Vital Programs
Not a New Tax*

What is a Levy? A Levy is a ballot measure which supports classroom and educational learning which the state does not fund. For example, Mental Health Counselors, safety and security, teacher development and athletics. This is not a Tax to build more schools.

Will this increase my taxes? No. This levy will only renew a levy which was passed two years ago.

How can you support Sunny Hills and the Levy? Mail or drop off your ballot by February 11th.

HONK AND WAVE: Final is Monday, Feb 10th - 2 times 7-8:30am and 5-6:30pm. This is the last push to remind our community to get their ballots in by the next day when they are due February 11th. Click here for locations near you: <https://www.signupgenius.com/go/60b0f4da9a829aaf49-2020>
